Attachment A

On or about March 6, 2018, Drug Enforcement Administration agents with HIDTA D-84 learned that a person identified as Leobardo Salazar AGUIRRE, was coordinating cocaine shipments through the Hidalgo, Texas International Port of Entry (POE). Later the same day agents learned that a dark blue 2005 Chevy pickup truck being driven by Miguel Angel DEL VALLE, contained approximately 12 kilograms of cocaine. Record checks revealed that DEL VALLE drove a vehicle matching that description from Mexico into the United States earlier that day.

On this same date, HIDTA D-84 agents conducted surveillance to locate and seize the cocaine from the Chevrolet pickup truck. Shortly thereafter, agents located the Chevy pickup truck parked at an apartment complex located in McAllen, Texas. Agents were able to take custody of the vehicle containing the cocaine from AGUIRRE. The vehicle was then taken to a secure location where agents were able to extract 12 bundles consistent with being cocaine and weighing approximately 14.6 kilograms.

On March 6, 2018, AGUIRRE admitted to DEA agents that he had been involved in coordinating the transportation of the cocaine and confirmed that he had received the vehicle with the cocaine from DEL VALLE.
